

Computer Give-Away Information

This free computer give-away is made possible through **Terry Scott, 2nd Chance Modesto Computer Refurbishing, 209-402-8586**. Terry works in partnership with Jesus Our Savior Anglican Church, 1038 McHenry Avenue, Modesto.

The hope is that all students who need a computer will eventually have access to one. This will benefit all the students in the family, and be helpful through high school and into college.

Along with the computer, you will find information about \$10/month internet service. Repairs and parts can be taken care of through Terry Scott at the phone number listed above.

Modesto City Schools offers parents and students free Office 365 which allows the downloading of programs such as Word, Excel, PowerPoint, and Outlook.

1. Go to mcs4Kids.com
2. Click on the Parent or Student tab at the top.
3. Click on Office 365 button and follow the directions.

Please take the time to read through the internet safety information, attached.

We hope you put this new computer to good use. Take care of it, and it will enrich your future.
